

## JK Lakshmi Cement awarded “Excellence Award” in “Cement” sector

JK Lakshmi Cement was awarded the “Excellence Award” in “Cement” sector, instituted by the Rajasthan Chamber of Commerce & Industry, Jaipur, at a function held at the Mohanlal Sukhadia Memorial Hall, Chamber Bhawan, Jaipur.

Shri N.K. Maheshwari, General Manager - Development, received the award on behalf of the Company from Chief Guest Shri Namo Narain Meena, Union Minister of State, Finance (Govt. of India), Shri Rajendra Pareek, Minister for Industries (Govt. of Rajasthan) and Shri K.L. Jain, Secretary General - RCCI.

JK Lakshmi Cement was chosen by RCCI for this award on the basis of excellence in overall performance of the Company, especially in customer satisfaction and upkeep of environment-friendly operations, which help in maintaining a “Green” plant. The Company has come up with various innovative and environment friendly projects in the recent past, such as a Waste Heat Recovery 12 MW Power Plant (which helps in saving 55000 MT of CO<sub>2</sub> per annum); installation of Fly Ash Drying System and Biomass Handling System (replacement of Fossil Fuel by Biomass).

JK Lakshmi conveyed best wishes to its dedicated team members and hopes to make even greater achievements in the future.
